### Galva weighing offer to close R.R. crossing

By CAROL TOWNSEND

For The Prairie News

GALVA – The City Council is strongly considering an offer of \$165,000 from Burlington Northern-Santa Fe to close a railroad crossing east of town near the Galva Catholic Cemetery.

City Administrator David Dyer said about \$15,000 would be used to close the crossing and remaining money would be used for Galva streets. The latest offer was \$100,000 more than the railroad offered a few years ago.

The council tabled a decision on the crossing until they can sort through the use of 20 acres of city-owned land located on the north side of the tracks. That land is rented to Jeff Kaiser for \$363 per acre as farm ground. Kaiser might be willing to pay less in rent if he has to take a longer route to reach the farmground, according to Mayor Rich Volkert.

It was stated that solar panels

could be put on the 20 acres and it was also noted that a cannabis plant had looked at the property.

In other news, Galva has been consulting with PGAV about the downtown TIF district, which expires Dec. 31. PGAV has worked with Galva on its downtown TIF since 1986 and is consulting on a new TIF agreement, the boundaries of which will most likely change.

The council discussed which buildings could go in a new TIF district. Buildings mentioned include the old REA lot, former Bob Evans building and others.

Police Chief Kraig Townsend said Sergeant Jerrod Hedden has resigned as a full-time officer. Townsend said Ralph Brown, the school officer, is filling in this summer so they won't be in real need until school starts in August.

Officer James Robertson has been promoted to Sergeant.

### Bradford Auxiliary holding open house

By ANGIE STANGE

For The Prairie News

BRADFORD – The American Legion Auxiliary theme for 2021 is "Celebrate Our Past & Awaken Our Future" and that's certainly the case for Bradford Auxiliary Unit #445, which is celebrating its 75th year.

With that in mind, members of the unit will hold an open house Sunday, July 11, from 1-4 p.m. at the Bradford Legion Post. The public is encouraged to attend. Historical information about the

unit will be on display and refreshments will be served.

Past presidents will be honored for their service and a group picture of past presidents will take place at 2 p.m.

Legion Post #445 observed its 100th anniversary in 2020, having been established after World War I. The Auxiliary did not form until after WWII, receiving its charter on May 11, 1946. The first president was Alma Curren in 1946 and there have been 31 other presidents over the 75

years. The current president is Barb Elliott, who has served since 1998.

The Auxiliary's mission is to support the American Legion. The Bradford Unit annually participates in Poppy Days, lays a wreath in honor of deceased veterans at Memorial Day Services, supports homeless veterans; honors local Teachers during American Education Week, sponsors girls for Girls State and assists the local Legion Post with their events.

Bradford American Legion Post #445 will be the site for an open house on July 11 for Bradford Auxiliary United #445, which is celebrating the 75th anniversary of its creation. Photo by Angie Stange.

# GALVA: Marketing plan

*Continued from Page 1*  
 Hartman asked Townsend about the former Bixby Zimmer property at 104 NE First St. and when it would be cleaned up. Third Ward alderman Dougie Anderson said something has to be done immediately and he was willing to sign a complaint.

Townsend said he has talked to the owner.

Townsend also said he checked the 110 properties that were in violation sev-

eral months ago for junk or unlicensed vehicles. He said there were 27 properties that still had a violation. He gave each of those until June 30.

Anderson said he wants to see a plan to market 23 lots remaining in Galva's two subdivisions, which sell for \$9,400 per acre.

The council also approved Dyer negotiating a lease for a solar array on the city's old landfill property.
