\$58 million addressing deferred maintenance

By HANNAH SPANGLER
 FarmWeek

SPRINGFIELD – Construction crews and Illinois State Fair staff are working hard to finish renovations to the grounds as the countdown to the 2024 fair continues.

The Illinois State Fair hosts a plethora of construction projects, including a second phase of renovations to the Coliseum and restoration to the Multi-Purpose Arena.

"Spring means construction here on the Illinois State Fairgrounds. And we're still in the middle of a \$58 million economic investment in the fairgrounds to address years of deferred maintenance," said Rebecca Clark, Illinois State Fair

manager.

After completing the Coliseum roof overhaul in 2019, the crew is now tackling a \$16.8 million transformation.

Phase Two renovations focus on new electrical, heating and cooling, plumbing and sound systems. The project also addresses new seating and adds an elevator, increasing the build-

ing's accessibility.

"We started our renovations to the Coliseum around fall of '22 but had to stop the summer of '23 for the fair and all of the horse shows," said Rick Newbold of Egizii Electric. "We're in full swing now and are hoping for no more delays so we can be done come fair time."

Windows delayed

Brimfield Grade School repair schedule adjusted

By NICK VLAHOS
 For The Weekly Post

BRIMFIELD – When the 2024-25 academic year begins, some areas of Brimfield Grade School might seem a bit claustrophobic.

New windows planned for the kindergarten-through-fourth-grade area of the school probably won't arrive in Brimfield until mid-August. According to Superintendent Chad Jones, the windows won't be installed in time for the start of classes, scheduled for Aug. 14.

Paneling is to cover the spaces where the windows are supposed to be. Window replacement elsewhere at the grade school already has been completed or is on schedule to be finished this summer, according to Jones.

"We'll not be able to start the school year with brand-new windows and everything looking perfectly pretty, like I envisioned it," he said. "We will get everything done, but it won't be Aug. 14, ready to go."

Jones put no timetable on completion but said it'll happen as soon as possible. He said he wasn't made aware of the delay until late in the week before the Brimfield School Board meeting May 8. Delaying the start of

Here's your sign

Elmwood may help with sign for The Meadows

By NICK VLAHOS
 For The Weekly Post

ELMWOOD – The Elmwood City Council might consider helping residents of a local subdivision reconstruct a sign at its entrance.

No financial commitments were made during the council meeting May 7. But at least one alderman suggested the city bears some responsibility for replacing a sign that welcomed visitors to The Meadows subdivision.

The sign that stood on a median on Southgate Drive at Illinois Route 78, at the north

edge of Elmwood, was removed when new sidewalks were being constructed in that area. The sign fell into disrepair while in the city's possession, according to Alderman Andrew Almasi.

"We moved it and we should put it back," he said. "It may be more than what they had, but there's a value there that I think we could contribute to."

Meadows resident John Herman told the council about a private fundraising effort underway for a new

BRIMFIELD: Window installer to double shifts

Continued from Page 1

the school year wasn't an option, given the uncertainty about when installation might take place.

Asbestos abatement necessary in connection with the window replacement prevents maintaining the primary-wing status quo until installation is to begin, according to Jones. He said the primary wing is the oldest part of the building. Jones also said the paneling is intended to be watertight.

"They won't look nice, but they're supposed to be boarded up and then sealed," he said.

It's possible some classes will be moved for a day or two to other areas of the building when installation begins, Jones told the board. The in-

staller is expected to work double shifts, with most of the potentially disruptive labor performed after students leave for the day.

Jones asked for flexibility and understanding. "It's going to be nice when it's all done," he said.

Board President Steve Updyke appeared to take the delay in stride.

"Just won't be able to look out the windows for a little while," he said.

In other business, the board:

- Approved a \$44,778 bid from BASE2 Group of Edwards and Galesburg to replace district heating, ventilation and air-conditioning controls.

- Authorized about a \$15,000 expense with Miller & Son Construction Co. of Mackinaw for grade-school downspout work.

- OK'd implementation of the Amplify Core Knowledge Language Arts Program for kindergarten through fourth grades.

- Approved a 2025 fiscal-year audit contract with Gorenz and Associates, Ltd., of Peoria. The gross fee is not to exceed \$14,050.

- Agreed to move its next regular meeting from June 26 to June 20.

Following closed session, the board authorized hiring Brooke Norman as a second-grade teacher and approved 2024-25 grade-school and high school extracurricular assignments for fall and winter. No high school head-coaching changes were made.

Spring assignments are to be submitted for approval later this year, as is district custom, Jones said.

GUEST VOICES

The outrage over 'White Rural Rage'

Early in my first year at the Big U, a new friend from Chicago's South Side asked me what he thought was an innocent question. "You're from southern Illinois," began Vince, "so why don't you talk like a hillbilly?" Like a what? I asked.

"You know," he explained, "why don't you talk with a drawl and say 'ain't' a lot?"

When I told him no one I knew in southern Illinois spoke like that, Vince, a budding engineer, was unable to square his circle. For years thereafter he introduced me as "a farm boy from southern Illinois but not a hill-billy!"

Vince's unchanging understanding served his unchanging ignorance. Hillbilly, to him, was anything or anyone - including me - somehow connected to the word "southern."

He wasn't alone. Canadian rocker Neil Young made a similar leap in his 1970 anthem "Southern Man." In his 2012 autobiography, "Waging Heavy Peace," however, Young apologized for the mistake.

Others have made the jump and remain comfortable in their view of "southern" and "rural." J.D. Vance, a one-time venture capitalist and now U.S. senator from Ohio, won instant acclaim with his 2016 memoir, "Hill-billy Elegy," set in Appalachia. The New York Times called it "one of the six best books to understand Donald

Trump's win" later that year.

Others - me included - read it and thought it was more Vince-like than Vance-like: hollow, shallow, and more commercial than cerebral.

Vance's fellow Appalachian, economist William Easterly, called the book a "sloppy analysis of collections of people - coastal elites, flyover America, Muslims, immigrants, people without college degrees."

I wouldn't have been so kind.

Now comes another presidential election year, another election featuring Trump and another book to explain why me and my extended, white rural family are so enraged at our position in life that we are not just "a" but "the" biggest threat to our nation's survival.

Like most books about rural white folk these days, "White Rural Rage: The Threat to American Democracy," is also a New York Times best-seller. But dozens of critics, many whose research book co-authors, Paul Waldman and Thomas S. Schaller cite, are less thrilled. Several, like Nicholas F. Jacobs in his April 4 takedown for Politico, have made clear that the book's use of their scholarly work has been "misinterpreted and misunderstood."

Jacobs, a political scientist at Maine's Colby College, continues: "What the authors get wrong about rural America is exactly what many Democrats have been getting wrong for decades ... (T)hat rural political identity has morphed into resentment - a collective grievance against experts, bureaucrats, intellectuals, and the party that seeks to empower

them, Democrats."

But resentment, Jacobs rightly points out, is not rage. "Resentment is rational, a reaction based on some sort of negative experience. ..." Rage, however, "implies irrationality, anger that is unjustified and out of proportion."

That's true for most rural voters that I know: They are rational, resentful and Republican because they see the institutions at the center of their lives - churches, schools, families and communities - rapidly changing, with only one political party, the GOP, consistently acknowledging the changes.

To them, it's about politics, not policy; practicality, not philosophy; empathy, not antipathy.

And sure, many GOP politicians have made an art of telling rural Americans exactly what they want to hear. Unlike so many Democratic politicians, however, at least they show up to ask.

Former Speaker of the House Thomas P. "Tip" O'Neill often told the story of how after his initial election to Congress in 1952, he asked his mother if she had voted for him. Yes, she replied, but it was close.

Close? asked the wounded son. Why? "Because," she said, "you never asked me."

"I learned that night," O'Neill explained, "that all politics are local."

Any rural American can tell you the same thing. Just come by and ask.

Good news on water, sewer rate for new plant

By NICK VLAHOS

For The Weekly Post

PRINCEVILLE – Providing water and sewer services to a proposed new manufacturing facility probably won't cost as much as Princeville village officials anticipated.

Greenfield Contractors is to build on the south side of about 15½ acres Princeville annexed recently, according to Village President Jeff Troutman.

That means the village will have to extend a water line only about 60 or 70 feet, at a cost estimated between \$25,000 and \$40,000.

Water-line extension was projected at about \$300,000 had Greenfield built farther north on the property, located west of Santa Fe Avenue and south of Mendell Road. The south end is located closer to the rest of town.

Troutman said village sewer expenses also are expected to be significantly lower for Greenfield's proposed location on that plot. Sewer costs have yet to be estimated.

Municipal trustees are

expected to discuss water-line extension when they meet Tuesday night. If approved, work could begin soon, according to Troutman.

"It's already been engineered and ready to go," he said.

Construction on the new Greenfield complex is to commence next spring. The commercial- and agricultural-building specialist is operating from a Princeville facility smaller than the projected new digs. A vacant house on the annexed property has been demolished.

Not all the financial news village officials received recently has been positive.

During the Village Board meeting May 6, trustees were told about an unsuccessful effort regarding a federal grant that would help pay for a proposed water pipeline between Princeville and Edelstein. The village was among 98 applicants for 15 grant spots, according to Troutman.

The 7-mile pipeline is a possible solution to chronic water problems for Edel-

stein residents. Troutman said federal representatives are searching for other grants to help cover the cost, which is projected at about \$6 million.

But Troutman suggested such pursuits might be more successful if the Edelstein Water Works Co-Operative took the lead.

"We already have a treatment plant and good water lines, where they don't," Troutman said. "The way (the grant application) was put in, these people look at it like it is Princeville that wants an upgrade, and at the same time they'll agree to do Edelstein's water."

Peoria County Sheriff's Office Deputy Shawn Yarger is set to begin regular village patrols May 28, Troutman said. Yarger replaces Adam Bickett, who was fired from the force in March after an investigation revealed he violated department policy.

In other business, the board voted to continue the village Residential

Redevelopment Program in one tax-increment-financing district and create one in another, new TIF district.

The program provides TIF-funded reimbursements for improvements residential-property owners make.

The board authorized 3% pay raises for the five full-time village employees. One part-time employee is to receive a \$1-an-hour raise, to \$15.

Also approved was a \$66,950 expense with EB Buildings & Lumber Co. of Princeville for a 32-by-80-by-14-foot post-frame building to be erected at the village sewer-treatment plant. The village received three bids, according to Troutman.

Building permits were issued for a 10-by-64-foot accessory structure at 610 N. Santa Fe Ave., a 6-foot wood fence at 216 N. Cottage Grove Ave. and roof-mounted solar panels at 304 S. Kennedy Ave. and 727 N. Town Ave.

Yates City Village Board reappoints officials

YATES CITY – The Yates City Village Board met May 8 to reconfirm the appointments of the village clerk, treasurer, police chief and bank, with no changes made from last year.

Up to \$40,000 was approved for repairs to the second (north) clarifier at the sewer plant to ensure that all repairs are taken care of thoroughly and properly. The board does not expect the repairs to cost that much but wants to be sure the funds are available so repairs are finished as quickly as possible.

Other items discussed were a tractor that needs repairs to its clutch and the purchase of a new tape recorder for board meetings.

– Molly Richeson

Pheasants Forever has free youth trap shoots

CHILLICOTHE – On each Monday night in June at 4:30 p.m., Pheasants Forever will be sponsoring a youth trap shoot at the Chillicothe Sportsmen's Club for boys and girls, age 9 through seniors in high school.

All are invited to come learn about gun safety and have fun breaking clay birds. To register, call Mike Aldrich at (309) 229-4090.

Rosecrans takes first at anthropology meeting

SPRINGFIELD, Mo. – Jacob Rosecrans of Edwards was one of five anthropology students from Missouri State University who gave impressive performances at the Society for Applied Anthropology eighth an-

nual meeting March 26-30 in Santa Fe, N.M.

Rosecrans, a senior anthropology major, won first place for his research poster presentation, "The Seeds We Sow: Gardening and Growth Among Primary School Children in Zambia."

FAIR: \$8.6 million facelift of Multi-Purpose Arena

Continued from Page 1

According to Clark, crews have also been working on road improvement projects throughout the fairgrounds. This is routine maintenance to prepare for the wear-and-tear of the upcoming show season. Additionally, she said various fair buildings are undergoing roofing projects.

"We also just finished putting the finishing touches on the Multi-Purpose Arena," she said.

The arena received an \$8.6 million facelift. Projects focused on repairing sidewalks, walls, steps and elec-

trical systems, as well as readjusting the tension structure, installing a new canopy and rebuilding the retaining walls around the facility.

Clark said this year the Multi-Purpose Arena will have plenty of events, including a rodeo. Clark said the fair is utilizing a new company this year that will host nine rodeo event categories.

"It's a jam-packed show, great for those junior exhibitors who are going to be visiting with us during the State Fair," she said.

More than 10,000 visitors can be

seated at the Multi-Purpose Arena and tickets will go on sale as more events are announced.

"I'm really excited about all of the things that are happening here," Clark told FarmWeek. "I think our fair family is going to really see that excitement when the fair rolls around this August."

The Illinois State Fair will be Aug. 8-18 this year.

This story was distributed through a cooperative project between Illinois Farm Bureau and the Illinois Press Association. For more food and farming news, visit FarmWeekNow.com.

Camp Big Sky has charity bass tournament Saturday

CANTON – Camp Big Sky's 15th annual fishing-tournament fundraiser is Saturday, May 18, at the Giant Goose Ranch on Illinois Route 9 west of Canton.

The event pairs children and adults with disabilities and experienced tournament participants. The weigh-in ceremony begins at 10:30 a.m. and is open to the public. A number of free, family-oriented activities, along with hot dogs and brats cooked by the Canton Elks Lodge, will be available.

Proceeds from the event, sponsorships and on-site raffle benefit Camp Big Sky, which provides outdoor activities, volunteer training and life-skills education at no cost to those it serves. The camp is 1 mile south and 1 mile west of Middle Grove on 102 acres of former strip-mine land.

For information on the camp or the event, contact Executive Director Haven Kensinger (exec@campbigsky.org 309-258-6002) or Karla Kane (kckane@s-pelmwood.com 309-231-3084).

PUBLIC RECORD

NOTE: Charges are merely an accusation. All suspects are presumed innocent until proven guilty.

Elmwood locks down school after threats

ELMWOOD – An Elmwood man wanted by the military was arrested and accused of threatening his former girlfriend. The threats resulted in a brief soft lockdown of the Elmwood school building.

Peoria police took Morgan R. Ludolph, 18, into custody about 10 a.m. May 8 at McDonald's, 627 N. Western Ave. Ludolph was making homicidal and suicidal comments, according to Semone Roth, a police-department spokeswoman.

Law-enforcement authorities in multiple jurisdictions were searching for Ludolph after a 17-year-old female Elmwood High School junior said he threatened to kill her. The girl notified school administrators, according to an Elmwood Police Department report.

Also searching for Ludolph was the U.S. Army, which accused him of being absent without leave. An Army representative contacted school administrators to try to determine the whereabouts of Ludolph, a former Elmwood student.

The death threats came via text messages beginning May 1, according to the police report. That helped prompt the soft lockdown, which lasted from about 10 a.m. until about 10:30 a.m. May 8. Activities inside the building continued as usual, but nobody was allowed to leave or to enter.

Ludolph was transported to the Peoria County Jail and charged with disorderly conduct and threatening a school building or person. The Army planned to issue an AWOL warrant for Ludolph, the police report stated.

Police reports

• **ELMWOOD** – A two-vehicle accident east of Elmwood left a Yates City man with an apparent minor injury.

Scott S. Vawter was driving a 2018 Chevrolet 1500 pickup truck at 4:30 p.m. May 4 in the 19300 block of Illinois Route 8 when another

pickup, this one a 2022 Ram, rear-ended it, according to a Peoria County Sheriff's Office report.

The other driver, Matthew J. Glenn of Elmwood, said he couldn't react quickly enough to avoid hitting Vawter's vehicle, which slowed to turn south at Pulsifer Road. It wasn't clear in which direction Glenn and Vawter were driving.

Vawter complained about his seat-belt causing a burning feeling in his left hip, but he refused ambulance transportation. Glenn said he was uninjured.

Glenn's vehicle sustained major damage to its front grille, hood, bumper and fenders but was drivable, the report stated. So was Vawter's vehicle, despite rear-bumper damage.

• **BELLEVUE** – A Yates City female sustained a minor injury in a two-vehicle accident in Bellevue.

About 6 p.m. May 3, Bobbi J. Ulm was driving a Ford Escape that was attempting to turn west on Plank Road from southbound Maxwell Road when a 2007 Dodge Caravan van rear-ended her vehicle, per a Peoria County Sheriff's Office report. Grant D. Wolland of Mackinaw was the other driver.

Ulm said she started to turn after the traffic light changed to green but stopped to make sure a vehicle on westbound Plank Road didn't disobey the red light. Ulm complained about lower-back soreness but, like Wolland, refused medical attention. Both vehicles were damaged but drivable.

• **BRIMFIELD** – A two-vehicle wreck in Brimfield resulted in no reported injuries.

About 7:15 a.m. April 29, David E. Pepple of Hanna City was behind the wheel of a 2011 Chevrolet Impala stopped on northbound Jefferson Street at Knoxville Street when a southbound 2023 Ford Bronco struck the front of his vehicle, a Peoria County Sheriff's Office report stated.

The other driver, Dylan M. Shane of Brimfield, was turning from westbound Knoxville Street. Shane had one passenger, a male. Both vehicles sustained front-end damage

but were drivable.

• **BRIMFIELD** – No injuries were reported following a two-vehicle crash at a Brimfield intersection.

Devon A. Stone of Chillicothe was driving a 2015 GMC Terrain sport-utility vehicle north on Jackson Street shortly after 3:30 p.m. April 24 when it collided with a 2013 Dodge Caravan van headed west on Knoxville Street. Vyizigiro Ezekieli of Moline was the other driver.

According to a Peoria County Sheriff's Office report, Stone said he didn't see the van approaching the intersection. He said he had stopped at the stop sign on Jackson Street; there is no stop sign on Knoxville Street.

Ezekieli said he wasn't able to stop in time to avoid hitting the SUV, which sustained significant right-side damage and was towed.

• **TRIVOLI** – Sean C. Brown, 45, of Trivoli was arrested shortly before 12:45 a.m. May 3 and accused of two counts of driving under the influence of alcohol and of driving with expired registration, according to the Peoria County Sheriff's Office.

• **ELMWOOD** – Chief Aaron Bean reported the following Elmwood Police Department activity for April: four stops, one citation, eight warnings, 16 reports and four ordinance violations.

• **WILLIAMSFIELD** – Chief James Robertson reported the following Williamsfield Police Department activity for April: one unwanted subject, one animal complaint, no citations and no warnings.

• **YATES CITY** – Chief Randy Benson reported the following Yates City Police Department activity for April: three arrests, three citations, seven warnings, seven traffic stops, three notices to appear and 22 reports.

• **GALESBURG** – These were among calls to which the Knox County Sheriff's Office responded between April 28-May 4: threats, Galva; two burglaries, Yates City; damage, Dahinda; trespass, Williamsfield.

ELMWOOD: Mi Ranchito patio OK'd

Continued from Page 1
 sign. It's to include landscaping and intended to complement a sign across Route 78 at the entrance to the Fairground Acres subdivision.

"It's attractive to have that in town and to have that as you come in and out of the town," Herman said.

Alderman Adam Duvall, who also resides in The Meadows, suggested a sign might have a more practical purpose.

"I think it's important to have that sign," he said. "I have people come (visit) at nighttime and they often overturn into that median."

In other business, the council approved a two-year lease with Mi Ranchito restaurant regarding

a plot of municipal-owned land adjacent to the business at 110 N. Magnolia St. That land south of the restaurant includes a concrete patio upon which Mi Ranchito is to place six to eight tables.

Mi Ranchito is to pay the city \$100 per month. Some of that money might be waived, depending on the cost of improvements Mi Ranchito is undertaking in that space. Two roofed pavilions, wrought-iron fencing and tables are among the improvements.

Last month, the council authorized up to \$6,000 in tax-increment-financing funds for the project. It's expected to cost between \$10,000 and \$12,000. The TIF grant is intended to cover half the final ex-

pense, according to Amy Davis, the city economic-development director. The monthly lease would be rebated until it matched the rest of the expense. The city then would own the equipment for potential future restaurants at that site.

So long as it's in business, Mi Ranchito will be responsible for maintaining the patio and its improvements. The restaurant is to install a west-side gate and might install a door on the south side of its building, so customers can access the outdoor-dining area from inside, according to Davis.

The council also authorized a \$3,229.45 payment to TimbukTech Inc. of Canton for five years of computer firewall protection. The city pays TimbukTech an additional \$700 per month for other computer services.

Before the meeting, aldermen and other city officials conducted a cookies-and-punch reception that celebrated the retirement of Rebel, the Elmwood Police Department K-9 officer. Police Officer Mike Darrah has been Rebel's partner.

In retirement, the German Shepherd is to reside with Darrah.

"It's always rough to lose a partner, but we can truly say he's a good dog," Almasi said. "We're sorry to see him go."

Darrah said there's no timetable regarding a new K-9. A potential candidate did not complete training successfully. Another candidate probably will come from the Czech Republic or the Netherlands.

St. Paul Lutheran Church will install new pastor

By **CINDY YOUNGREN**
For The Weekly Post

BRIMFIELD – Rev. Michael Wagnitz will be installed as the new pastor of St. Paul Lutheran Church, 204 W. Clay St., Sunday, May 19, at 3 p.m. Wagnitz was born in Magdeburg, Germany, and was raised in Germany. He grew up in a pastor's home and said he found his dedication to the Lord for various reasons. One significant experience was the downfall of the Lutheran heritage of the churches in Germany.

Wagnitz immigrated to Canada in 1990 and received further training as a pastor and was ordained. His first call was to a congregation in Iowa. In 2012, he passed the Colloquy in the Lutheran Church – Missouri Synod.

Since then, he has served several congregations, most recently at Holy Cross in Golden, Ill., as a vacancy pastor. After that he joined the group of retired pastors while still keeping his name on the Central Illinois District call list. He recently received that call from St.

Paul Lutheran Church. Pastor Karl Eckhoff of Christ Lutheran in Peoria had served St. Paul as interim minister after Rev. Michael Liese accepted a call to Trinity Lutheran Church in Henderson, Ky., to start last August. St. Paul's services will return to 10 a.m. starting Sunday, May 26.

OBITUARIES

Mardell R. Dietz

BRADFORD – Mardell Rose Dietz, 82, of Bradford, passed away on Tuesday, May 7, 2024, at Carle Health Methodist Hospital in Peoria. Mardell was born Oct. 9, 1941, in Quincy, Ill., to Fred and Louise (Hodel) Grimm. She married Kenneth Dietz on June 21, 1964, in Taylor, Mo.; he survives.

Also surviving are five children, Jeff (Sara) Dietz of Elgin, Barry (Rachel) Dietz of Wyoming, Fred (Shaena) Dietz of Mediapolis, Iowa, Valerie (Todd) Steiner of Tremont and LaNae (Peter) Huang of Edwards; 30 grandchildren; 16 great-grandchildren; one sister, Judy (Don) Feller of Morton; brothers-in-law Paul Haab, Dwayne “Chub” Dietz, Mike Dietz and Dick Dietz; and sisters-in-law Joyce Streitmatter, Betty (Walt) Herrmann and Charlene Dietz.

She was preceded in death by her parents; one grandson, Joel Steiner; one brother, Roy Grimm; one sister, Kathy Haab; brother-in-law Norman Streitmatter; two sisters-in-law, Dona Grimm and Kim Dietz; and Renie Schlesier.

She was a member of the Bradford Apostolic Christian Church from the very beginning, attending Bradford’s first service a week after she was married. She was a loving wife and an encouraging support to her husband in the ministry for over 40 years, as well as a mother to the church and friend to all, making everyone feel loved and welcomed.

Her love for people extended beyond her family and church to the community, which included serving as an EMT on the Bradford Rescue Squad for many years. She was a loving, godly mother who poured her life into her husband, children, grandchildren and great-grandchildren. We all felt her love and prayers.

Her funeral service was May 11, 2024, at the Bradford Apostolic Christian Church in Bradford. Ministers of the church officiated. Burial was in Bradford Apostolic Christian Church Cemetery. Haskell Funeral & Cremation Services in Princeville is assisting the family with arrangements.

Memorial contributions may be made to Marklund Wasmond Center, 1435 Summit St., Elgin, IL 60120 (where her grandson Matt has resided for many years), or the Bradford Apostolic Christian Church for its charity fund.

Condolences may be left for Mardell’s family on her tribute wall at www.haskellfuneral.com.

James A. Archibald

ELMWOOD – James Adam Archibald, 57, of Elmwood, passed away at 6:41 p.m. on Thursday, May 9, 2024, with his family by his side. He has gotten peace after a long battle with cancer.

He was born on Feb. 3, 1967, in Peoria to Dick and Marsha (Schooley) Archibald. He married Patricia Clark on Oct. 18, 1998, in Glasford. She survives.

He is also survived by his father; three children, Nicholas Adam Archibald of Speer, Shelbey Rae (Zak Stokes) Clark-Archibald of Brimfield and Jessica Jaimes Clark-Archibald of Elmwood; and one sister, Trisha Archibald of Brimfield.

Per James’ wishes, there will be no services. “If they can’t come see me if I’m alive, don’t bother when I’m gone.” Cremation rites will be accorded with Sedgwick Funeral Homes & Crematory in Canton.

Condolences can be left online at www.sedgwickfuneralhomes.com.

Janice A. Schaefer

PEORIA – Janice Ann (Needham) Schaefer, 83, died May 8, 2024, at OSF Saint Francis Medical Center in Peoria. Janice was born to John “Jack” and Alma (Fultz) Needham on Dec. 26, 1940, in Peoria County. She married Robert “Bob” Schaefer Sr. on June 21, 1958, in Peoria. He preceded her in death on June 16, 2021.

She is survived by seven children, Robert Schaefer Jr. of Chillicothe, John (Tammy) Schaefer of Edelstein, Jennifer (Chris) Johnson of Edelstein, Kathy (Rick) Doering of South Carolina, Jeff Schaefer of Peoria, Joe (Christina) Schaefer of Hanna City and Ana Schaefer (Adam) Milestone of Peoria; 13 grandchildren; 12 great-grandchildren; and four sisters, Barb (Bob) Lovelace of Tennessee, Susan Ricks of Peoria, Mary Needham of Princeton and Colleen (Steve) Harmon of Princeton.

A celebration of life will be held at a later date.

 You have been sued. To participate in the case, you MUST file an official document with the court within the time stated on this Notice called an "Appearance" and a document called an "Answer/Response". The Answer/Response is not required in small claims or eviction cases unless ordered by the court. If you do not file an Appearance and Answer/Response on time, the court may decide the case without hearing from you, and you could be held in default and lose the case. After you fill out the necessary documents, you need to electronically file (e-file) them with the court. To e-file, you must create an account with an e-filing service provider. For more information, go to ilcourts.info/efiling. If you cannot e-file, you can get an exemption that allows you to file in-person or by mail. You may be charged filing fees, but if you cannot pay them, you can file an Application for Waiver of Court Fees. It is possible that the court will allow you to attend the first court date in this case in-person or remotely by video or phone. Contact the Circuit Court Clerk's office or visit the Court's website to find out whether this is possible and, if so, how to do this. Need help? Call or text Illinois Court Help at 833-411-1121 or go to ilcourthelp.gov for information about going to court, including how to fill out and file documents. You can also get free legal information and legal referrals at illinoislegalaid.org. All documents referred to in this Notice can be found at ilcourts.info/forms. Other documents may be available from your local Circuit Court Clerk's office or website.

Source of Drinking Water

The sources of drinking water (both tap water and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs, and wells. As water travels over the surface of the land or through the ground, it dissolves naturally-occurring minerals and, in some cases, radioactive material, and can pick up substances resulting from the presence of animals or from human activity.

Contaminants that may be present in source water include:

- Microbial contaminants, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations, and wildlife.
- Inorganic contaminants, such as salts and metals, which can be naturally-occurring or result from urban storm water runoff, industrial or domestic wastewater discharges, oil and gas production, mining, or farming.
- Pesticides and herbicides, which may come from a variety of sources such as agriculture, urban storm water runoff, and residential uses.
- Organic chemical contaminants, including synthetic and volatile organic chemicals, which are by-products of industrial processes and petroleum production, and can also come from gas stations, urban storm water runoff, and septic systems.
- Radioactive contaminants, which can be naturally-occurring or be the result of oil and gas production and mining activities.

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that water poses a health risk. More information about contaminants and potential health effects can be

obtained by calling the EPAs Safe Drinking Water Hotline at (800) 426-4791.

In order to ensure that tap water is safe to drink, EPA prescribes regulations which limit the amount of certain contaminants in water provided by public water systems. FDA regulations establish limits for contaminants in bottled water which must provide the same protection for public health.

Some people may be more vulnerable to contaminants in drinking water than the general population.

Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by Cryptosporidium and other microbial contaminants are available from the Safe Drinking Water Hotline (800-426-4791).

If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. We cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the Safe Drinking Water Hotline or at <http://www.epa.gov/safewater/lead>.

Source Water Assessment

We want our valued customers to be informed about their water quality. If you would like to learn more, please feel welcome to attend any of our regularly scheduled meetings. The source water assessment for our supply has been completed by the Illinois EPA. If you would like a copy of this information, please stop by City Hall or call our water operator at 309-742-2351. To view a summary version of the completed Source Water Assessments, including: Importance of Source Water; Susceptibility to Contamination Determination; and documentation/recommendation of Source Water Protection Efforts, you may access the Illinois EPA website at <http://www.epa.state.il.us/cgi-bin/wp/swap-fact-sheets.pl>.

Source of Water: ELMWOOD To determine Elmwood's susceptibility to groundwater contamination, a Well Site Survey, published in 1991 by the Illinois EPA, and a Source Water Assessment Program, were reviewed. Based on the information contained in these documents, twenty-one potential sources of groundwater contamination are present that could pose a hazard to groundwater pumped by the Elmwood community water supply wells. These include two stores/sales, a hardware store, five below ground fuel storages, a small engine repair, four above ground fuel storages, a warehouse, a manufacturing process, a ready mix/cement, a de-icing agent, a pile of material, a lagoon, a feed lot, and a mortuary. Based on information provided by Elmwood water supply officials, the following businesses, also indicated as potential sources in the site data table, are no longer present: J&J Oil, Maplelane Country Club, Elmwood Construction Co., Linder's Garage, Central Illinois Monument, Croziers Auto Parts, Blunier Concrete Co., Gorham Brothers, Knox Sunoco, and an unknown feedlot. Based upon this information, the Illinois EPA has determined that Elmwood Wells #1, #3, and #4 are not susceptible to IOC, VOC, or SOC contamination. This determination is based on a number of criteria including: monitoring conducted at the wells; monitoring conducted at the entry point to the distribution system; and the available hydrogeologic data for the wells. In anticipation of the U.S. EPA's proposed Ground Water Rule, the Illinois EPA has determined that Elmwood's community water supply wells are not vulnerable to viral contamination. This determination is based upon the evaluation of the following criteria during the Vulnerability Waiver Process: the community's wells are properly constructed with sound integrity and proper site conditions; there is a hydrogeologic barrier that restricts pathogen movement; all potential routes and sanitary defects have been mitigated such that the source water is adequately protected; monitoring data did not indicate a history of disease outbreak; and the sanitary survey of the water supply did not indicate a viral contamination threat. However, having stated this, the U.S. EPA is proposing to require States to identify systems in karst, gravel and fractured rock aquifer systems as sensitive. Water systems utilizing these aquifer types would be required to perform routine source water monitoring. Because the community's wells are constructed in a confined aquifer, which should provide an adequate degree of protection to prevent the movement of pathogens into the wells, well hydraulics were not considered to be a significant factor in the vulnerability determination.

2023 Regulated Contaminants Detected

Lead and Copper

Definitions:

Action Level Goal (ALG): The level of a contaminant in drinking water below which there is no known or expected risk to health. ALGs allow for a margin of safety.

Action Level: The concentration of a contaminant which, if exceeded, triggers treatment or other requirements which a water system must follow.

Lead and Copper	Date Sampled	MCLG	Action Level (AL)	90th Percentile	# Sites Over AL	Units	Violation	Likely Source of Contamination
Copper	09/13/2022	1.3	1.3	0.037	0	ppm	N	Erosion of natural deposits; Leaching from wood preservatives; Corrosion of household plumbing systems.

Water Quality Test Results

Definitions: The following tables contain scientific terms and measures, some of which may require explanation.

Avg: Regulatory compliance with some MCLs are based on running annual average of monthly samples.

Level 1 Assessment: A Level 1 assessment is a study of the water system to identify potential problems and determine (if possible) why total coliform bacteria have been found in our water system.

Level 2 Assessment: A level 2 assessment is a very detailed study of the water system to identify potential problems and determine (if possible) why an E. coli MCL violation has occurred and/or why total coliform bacteria have been found in our water system on multiple occasions.

Maximum Contaminant Level or MCL: The highest level of a contaminant that is allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology.

Maximum Contaminant Level Goal or MCLG: The level of contaminant in drinking water below which there no known or expected risk to health. MCLGs allow for a margin of safety.

Maximum residual disinfectant level or MRDL: The highest level of a disinfectant allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for control of microbial contaminants.

Maximum residual disinfectant level goal or MRDLG: The level of a drinking water disinfectant below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial contaminants.

na: not applicable

mrem: millirens per year (a measure of radiation absorbed by the body)

ppb: micrograms per liter or parts per billion - or one ounce in 7,350,000 gallons of water.

ppm: milligrams per liter or parts per million - or one ounce in 7,350 gallons of water.

Treatment Technique or TT: A required process intended to reduce the level of a contaminant in drinking water.

TRACK: R-W sprinter Manning nips teammate

Continued from Page 20

The field events also provided vindication for Princeville senior Brianna Brodie, who won in discus with a throw of 117-7.25. The victory was a first for Brodie, who was second in Class 1A last year but has not always fared well at the sectional.

"I have a history of not performing my greatest at sectionals, so this is my first sectional championship," Brodie said. "It just feels nice that I finally got past that point. Now I'm going in with my mark as kind of an underdog and hopefully I can perform my best at state."

Brodie is seeded No. 8 in Class 1A.

The area's other winner at Wethersfield was ROWVA-Williamsfield junior sprinter Haven Manning, who leaned ahead of teammate Erin Welch at the finish. Both runners were clocked at 13.21 and both will run again at Charleston.

While cooler conditions were not ideal for all, they did seem to favor distance runners.

E-B senior Addie Symonds advanced to state for the second straight year thanks to a personal-record time of 12:05.61 in the 3,200. She was third at the sectional and is seeded No. 16 among state runners.

Princeville freshman Bethany Sennett also posted a PR of 2:26.77 to place fifth but also qualify in a deep 800 field. She is seeded No. 13.

The deepest field of all was in the

4x800 relay, which sent six teams to state, including E-B's quartet of sophomores Natalie Babcock and Addy Turner, junior Olivia Stage and freshman Taylor Forney. They were clocked at 10:28.87 and are seeded at No. 12.

E-B's strength in the relays helped the team place second, just five points behind host Wethersfield.

"While a sectional win would have been great to have, I thought we put athletes in spots where they

Boys Sectional

Local boys teams were to compete at the Farmington Class 1A Sectional on Wednesday, May 15.

Elmwood-Brimfield's Isaiah Hill went in with top times in the 400 (50.96), 800 (1:52.76), 1,600 (4:31.16) and 3,200 (9:25.85).

Farmington had the fastest 4x200 relay (1:33.25) and top pole vaulter, Brayden Morse (13 feet, 2 inches)

had a chance to succeed and qualify for state," Anderson said. "I thought overall we competed well, given the off-and-on rain showers.

"The 4x100 picked a great time to look their best. While they didn't run a season-best time, our exchanges were the best we had all year."

The Lady Trojans' second-place 4x100 relay (51.9) included Strahm, junior Chloe Howerton and seniors Allie Svymbersky and May. Sophomore Ava Forney is an alternate. E-B's fourth-place 4x400 was Strahm, freshman Ella Helms, Svymbersky and freshman Gianna Ramirez.

Howerton (200) and Helms (400) just missed qualifying by placing third. Likewise, Farmington's best finish was a near-miss third in the 4x100 relay. R-W was third in the 4x200 relay and sophomore Megyn Erlacher was third in shot put.

IESA: Farmington sends 9 to state in 3A sectional

Continued from Page 20

• Tommy DeRitter of ROWVA-Williamsfield, who was sixth in 7th grade shot put (35-2).

• Lexi Begner of Elm-

wood, seventh in 8th grade long jump with a leap of 15-7.

• Cole Cahill of Brimfield, eighth in 7th grade 1,600 with a PR of

5:11.63.

• Gavin Long of Kickapoo St. Mary's, eighth in 8th grade long jump (16-2.75).

Farmington – Joshua Ginther made state in the 7th grade 400 with a PR of 59.25 at Saturday's 3A sectional at Farmington. Ginther also ran a leg on the Farmers' state-bound 7th grade 4x200 relay (1:50.83) with Gauge France, Paxtyn Brewer and Kyeson Kenny and on the winning 4x400 relay (4:13.82) with Kevin Bo-

roughs, Lane Shelby and James Kilpatrick.

Kilpatrick was one of three winning pole vaulters, taking the 7th grade event with a PR of 7-10.75. Farmington's other winners were Claire Price in 7th grade pole vault (6-6) and Micaella Sollenberger in 8th grade (6-6).

The IESA 3A/4A meet is Friday and Saturday at EastSide Centre in East Peoria, starting at 11 a.m. on Friday and at 9 a.m. on Saturday.

B-E rolls to 14-0 win to end regular season

By PHIL JOHNSON

For The Weekly Post

Brimfield-Elmwood (22-2) crushed Midwest Central 14-0 at home on Friday in baseball action, having all the runs after three innings. The hit parade included Brady Johnson at 2-for-2 with three RBI, Jude Strahm at 2-for-3, with two RBI and Kaeden Schatsiek turning in a 2 for 2, two RBI and a double line.

Brady Johnson and Cleve Bizosky combined for a no-hitter from the mound. The two hurlers allowed just one walk and one hit by pitch.

The Indians topped Princeville 7-4 at home on May 8. A five-run fourth was the key for the hosts. The offense was led by Cam Blodgett with a home run and two RBI. Layne Johnson added two RBI and two hits. Drew Kieser also drove in two runs and pitched six innings, yielding seven hits and no walks, while fanning eight.

B-E was to open Class 2A regional play Wednesday vs. Canton at Peoria Notre Dame at 4:30 p.m.

Farmington – The Farmers (13-13) were busy on the bases Friday in a 22-5 trouncing at West Prairie. Daw-

son Foster hit a home run and drove in six, Ben Marvel homered and drove in five and Landon Crawford went deep and collected four RBI.

The Farmers fell 3-2 at Kewanee on May 8 and had five hits, two by Lane Wheelwright. He also battled on the mound for six innings, giving up six hits and striking out seven.

The Farmers had Monday's Class 2A regional opener vs. Minonk Fieldcrest rained out.

Princeville – The Princes (10-18) came up just short at Roanoke Benson Saturday, falling 6-5. Princeville was up 2-0 after one inning, then down 4-2, approaching its last at-bat. Three runs put Princeville up 5-4, but the lead slipped away. Coley Palmer had two RBI and two doubles and Collin Lowery drove in one run.

In a PHS 7-4 loss to B-E, Parker Dickinson batted 2-for-3 with one RBI and Noah Geiger went 2-for-4 with a triple.

The Princes play today, May 16, at 4:30 p.m. at Peru St. Bede in St. Bede's Class 1A Regional.

ROWVA-Williamsfield – R-W (15-15) lost 10-1 at Monmouth United on Monday. A seven-run third inning

by the hosts was too much for the Cougars to overcome.

Keegan Gerlach had two of five R-W hits. Drake DeJaynes, Lewis Sams and Preston Schroeder collected the remaining three hits. Sams fanned two and Carter Smith whiffed three from the hill for the Cougars.

R-W lost 8-3 at ICAC rival Peoria Christian Saturday. Schroeder hit two doubles with one RBI. Luke Nelson recorded a double and an RBI. Brody Lytle batted 2-for-4.

Mason Sornberger pitched three innings, giving up two earned runs, while striking out three. Lytle threw 1.2 frames with three earned runs and three strikeouts.

The Cougars held off a West Central six-run rally in the last two innings to get a 12-9 win on the road last Friday. The visitors totaled 16 hits, 13 of which were singles.

DeJaynes drove in three. Lytle and Nelson each recorded two RBI. DeJaynes also pitched five frames, giving up one hit and striking out eight.

R-W is to face Henry-Senachwine today, May 16, at 4:30 p.m. at the Class 1A Kewanee Wethersfield Regional.

Rain impacts Princeville playoff opener

By NICK VLAHOS

For The Weekly Post

It didn't take long for rain to affect area teams in the Class 1A softball state tournament.

A Woodhull Regional first-round game scheduled for Monday at Princeville was moved to Tuesday at Alwood Elementary School in Alpha because of wet conditions. Princeville (10-16), the seventh seed in its Williamsfield sub-sectional, was to have played eighth-seeded Galva.

Whenever the game is played, it's to be the third consecutive game in which Princeville has faced Galva.

Princeville lost a doubleheader May 11 to Galva, 11-4 and 9-8. Mekeya Cihla had a three-run homer in the first inning of the second game and a two-run homer in the sixth inning. But Galva scored five in the seventh to overcome a 7-4 deficit.

Abingdon-Avon beat Princeville in consecutive games, 9-6 on May 7 and 13-2 on May 9. Princeville led 6-1 in the first game, but A-Town scored eight times in the seventh inning. Cihla had a two-run homer.

ROWVA-Williamsfield – A 10-3 victory May 11 over Abingdon-Avon capped a R-W five-game winning streak to end the regular season. Tieler Williams-Fouts had three RBI

and Riley Smith was 2-for-3 with two RBI. Ava Landon and Avery Rigg also had two hits each.

On May 9, R-W (16-14) swept a doubleheader from Monmouth United, 7-6 and 7-0. Emerson Hanam's RBI single ended the first game and capped a seven-run fifth that included a three-run double from Izzy Nelson. In the second game, Williams-Fouts had two RBI as R-W took advantage of six United errors.

Another doubleheader sweep came the previous day vs. Stark County, 17-3 and 8-5. Landon struck out 10 in the first game, in which R-W scored 11 in the sixth. Kendra Bennett and Smith each had three RBI.

Stark County led 5-3 in the fifth inning of the second game, but R-W took the lead in the sixth on a Landon sacrifice fly, an error and Ella Rigg's two-run double.

If R-W won its Class 1A Woodhull Regional opener scheduled for Tuesday, it is to play Friday for the title.

Brimfield-Elmwood – Brooke Sumner's single scored Delayna Linticum with the winning run in a 6-5 victory May 10 over Rock Island. B-E (19-4) led by four before Rock Island scored five in the fourth. But CJ Troxell's RBI single in the bottom of the inning tied it.

Olivia Avalos' two-run homer in the ninth inning May 8 gave host Tremont a 4-2 victory over B-E, which scored twice in the first on Kendyl Binder's two-out single. Troxell was 3-for-3.

The previous day, Sumner fanned 10 Macomb batters and B-E had a nine-run fourth in a 14-0 win. Kylee Vaughn was 4-for-4 with three RBI.

If B-E won its Class 2A Taylor Ridge Regional opener Wednesday, it plays at 4:30 p.m. Friday for the title.

Farmington – Emily Vallianatos' sixth-inning RBI single gave host Farmington a 2-1 victory over Knoxville and capped a busy final regular-season week. The hit was one of only five for the Farmers (12-9-1), but Farmington pitcher Lydia Overcash allowed only four.

The previous day, Farmington defeated West Prairie 5-1 as Kiley Vallas was 1-for-2 and scored twice. Overcash struck out nine.

On May 8, Farmington lost to A-Town, 5-1.

Vallas was 3-for-3 with three RBI in a 10-0 win May 7 over South Fulton. Vallianatos drove in two. Ella Johnson was 2-for-3.

If Farmington won its Class 2A Chillicothe Regional opener Tuesday, it plays at 5 p.m. Friday for the title.

Sectional survival

Area athletes earn berths in girls state track meet

By JEFF LAMPE

For The Weekly Post

KEWANEE – Sometimes, a track and field sectional is more about survival than personal records.

So it was last Thursday, when local girls track and field athletes battled on-and-off misty rain, wind and cool temperatures at the Kewanee Wethersfield Class 1A Sectional meet.

Despite the conditions, much of the cream of the local track scene rose to the top.

For some like Elmwood-Brimfield junior Mya Strahm and senior Emma May, one attempt in their field event was enough to earn a spot

in the IHSA state meet. Class 1A competition starts today at Eastern Illinois University in Charleston and concludes Saturday.

Strahm, who is 16 and ranked first in the world among pole vaulters 18 or younger, cleared 10 feet, 0.75 inches in her lone attempt. That was good enough for first at the sectional and cleared the way for Strahm to defend her state pole vault title.

Her vault came despite headwinds blowing into the face of pole vaulters and despite Strahm using a practice pole and battling a sore calf muscle.

“I brought all 13-7 poles, which is normally what I jump on,” Strahm said, explaining that a shorter pole was needed since she was not going for a PR but just attempting the state-qualifying height. “Thankfully I brought a warm-up pole.”

Outdoors meets are still relatively new to Strahm, who estimates she has vaulted outdoors in competition only about 10-12 times.

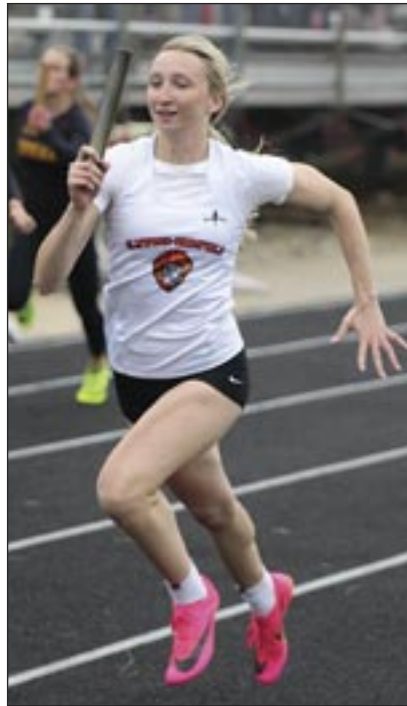

The sectional scenario is similar to last season for Strahm, who battled injuries and missed nearly all of last year before vaulting once in sectional and then winning in Class 1A. But Strahm said she is feeling much healthier this spring.

“I go to the chiropractor once a week to stay fresh,” she said. “I want to be fresh by state and feel good.”

And the calf muscle didn't seem to be an issue after the pole vault, as Strahm qualified in four events overall, winning the 300-meter hurdles in 46.86 seconds and running a leg of E-B's state-bound 4x100 and 4x400 relays.

“For Mya to be in four events and qualify in all of them is a testament to her ability and willingness to do the little things to prepare,” E-B Coach Kyle Anderson said.

Strahm is seeded fourth in hurdles after the sectional and is ninth in pole vault.

May also ran a leg in E-B's 4x100 relay and made state for the third straight year in long jump. But her win at sectional with a leap of 16-5.5 was her first championship.

“I have been a lot more relaxed this year,” said May, whose best finish at state was 19th last year with a jump of 15-7.75. “It feels really good to go out a sectional champ.”

Her winning jump didn't come without pain, though, as May stuck five spikes into her hand after landing.

IESA track success

Four local athletes earn 2nd-place

By JEFF LAMPE

For The Weekly Post

EAST PEORIA – Four junior high athletes had second-place finishes last weekend at the IESA 2A state track and field meet at EastSide Centre.

Dawson Freres of Princeville was second in the 7th grade 100-meter race with a personal record of 25.22 seconds. Freres also placed third in the 200 with a PR of 25.22, which is also a school record.

The other area double-medalist was Charlotte Walker of Elmwood, who was second in 7th grade pole vault by clearing 7-10.5. She also took seventh in 7th grade high jump, clearing a PR of 4-7.75.

Also finishing second was Parker Melhus of Elmwood, runner-up in the 8th grade discus with a personal-record throw of 147 feet, 4.5 inches. Melhus was 10th in shot put (40-2.75).

Jacob Jackson of Elmwood posted a PR of his own to place second in the 7th grade high jump, clear-
