## Toulon man faces child-porn charges, multiple felonies

**By JOHN A. BALLENTINE**  
For The Prairie News  
TOULON – A Toulon man who has been charged with multiple felonies since June was arrested on Sept. 6 and subsequently charged with several counts of possession of child pornography, a Class 3 felony.  
Alex R. Nowlan, 32, of Toulon was arrested by the Toulon Police Department after he was observed driving a vehicle in Toulon around 1:30 p.m. After a brief pursuit and brief resistance, he was taken into custody, according to a news release by the Toulon Police Department.  
On Sept. 5 in Stark County Circuit Court, probable cause was found and an arrest warrant was

issued for Nowlan.  
After his arrest, Nowlan was charged with six counts of Class 3 felony child pornography, Class 4 felony possession of cocaine, a misdemeanor charge of attempting to elude police and a misdemeanor charge of resisting arrest.  
Child-porn charges were the result of an ongoing investigation by the Toulon Police Department that included technical assistance from the Moline Police Department. Moline officers extracted

Nowlan

digital evidence from electronic devices that belonged to Nowlan and were obtained with an Aug. 13 search warrant after a possible violation of an order of protection.  
Nowlan was transported to the Bureau County Jail for booking and incarceration. Nowlan is to remain incarcerated in Bureau County as a result of a Sept. 8 detention hearing in Lacon’s Marshall County Circuit Court in front of Judge James A. Mack.  
Mack rejected requests for Nowlan’s pretrial release.  
Nowlan now has six felony charges issued against him in four months. He is scheduled for an Oct. 3 court appearance with his attorney, Kevin F. Sullivan of

Peoria, before Mack.  
Patrick Murphy has been named as prosecutor for the cases in Stark’s Circuit Court. Stark County State’s Attorney Austin King recused himself from the case due to a conflict.  
Anyone with information about the case is asked to contact the Toulon Police Department at (309) 286-0066 or via email at Toulonpd@starkco.illinois.gov.  
Prior to his Sept. 6 arrest, Nowlan was also charged – according to court documents – with unlawful restraint of a woman at a residence on Tonti Road in Toulon. He was arrested by Stark County Deputy Calib Ingle for a Class 4 felony on or about June 28.

Nowlan was also arrested by Toulon Police Officer Scott Waldrup and charged on or about July 24 with Class 4 felony cocaine possession and three misdemeanor charges of possession of a Walther 9-mm handgun without a valid Firearms Owners Identification card and DUI/drugs.  
Additionally, Nowlan was arrested by Waldrup on or about Aug. 18 for a Class 4 felony charge of harassment/threaten a person/kill, and a Class 3 felony charge of intimidation/physical harm plus a misdemeanor charge of violating an order of protection.  
An order of GPS monitoring was filed on Aug. 18 by King.

## Toulon’s water woes continue

**By JOHN A. BALLENTINE**  
For The Prairie News  
TOULON – Problems with Toulon’s water supply were discussed during Monday’s monthly city council meeting, with talk ranging from a water-main break to dirty water being supplied to residents.  
City Employee Matt Forstrom reported that a Clinton Street water-main break has been repaired without having to issue a boil order.  
Mayor Larry Hollis said Clinton Street will likely experience ongoing water supply issues due to semi-trucks using that street to enter and leave the River Valley grain facilities on Toulon’s north side.  
Hollis said the city will have to replace the 100-year-plus old underground water pipes and water mains that are causing rusty and dirty water to be supplied to

## Building in Bradford?

### Stark Co. considering site for highway building

**By JOHN A. BALLENTINE**  
For The Prairie News  
TOULON – The Stark County Board is considering a property in Bradford for its new county highway and administration offices.  
That was the announcement made after the board went into the second of two closed sessions at Tuesday’s monthly meeting. Following the 30-minute closed session, the board also announced that the price of the property is still being negotiated.  
After that, board members promptly adjourned and quickly left the courtroom without any explanation.  
Following an earlier closed session of 24 minutes, Supervisor of Assessments/ Zoning Officer Renee Johnson was reappointed and given a 5% salary increase in

her first year and a 3% increase the following three years.  
Reynolds Beckham of Phillips, Salmi & Associates, LLC, of Washington presented the 2024 county audit report. Essentially, the overall conclusion is that Stark County is in a healthy financial position.  
Sheriff Steven Sloan presented a tentative budget and said he would like to purchase two new squad cars by next month. Sloan said some squad cars are falling apart.  
The board also passed a tax sales resolution for a Goshen Township property, appointed Wyoming’s Pat Maher to the ESTB board, passed a Farm Bureau Allies in Agriculture resolution; adopted an updated 2025 Hazard/Mitigation Plan; and passed a measure to obtain county-issued IDs.

# Galva city clean-up set for Sept. 24-27

**By CAROL TOWNSEND**  
For The Prairie News

**GALVA** – Galva’s clean-up week has been shortened this fall and will be Sept. 24-27.

Details of the clean-up were announced during the City Council meeting held on Monday.

Items may be taken to the roll-off at the City Maintenance Yard on Sept. 24-25, from 7 a.m. to 5 p.m.; Sept. 26 from 7 a.m. to 3 p.m.; and Sept. 27 from 7 a.m. to noon.

Clean-up week is for Galva residents only and curbside pick-ups will be on Wednesday only, for residents unable to bring items to the maintenance building. Residents must call City Hall before Sept. 24 to schedule curbside pick-up and have items ready at curbside.

Residents are reminded that large items are only picked up on the first Wednesday of the month. A \$10 sticker is required, and these can be purchased at Eagle Enterprises or

City Hall. Residents must call Eagle Enterprises to let them know ythey have a large item for pick-up and have the sticker for the item.

During the meeting, Police Chief Kraig Townsend passed out Illinois rules for electric scooters and electric bicycles. He said the number of scooters and bicycles driving around the city have been greatly reduced since school started.

Townsend said he witnessed a dangerous event on North Center Avenue involving a youth driving a scooter with a smaller child sitting on the handlebars. The driver failed to stop at a stop sign and vehicle traffic was coming from both ways. Townsend said he was able to identify the children through bodycam footage and went to their home to talk to their parents.

Mayor Rich Volkert said that scooters are not allowed on sidewalks. Another issue, according to Second Ward Alderman John Wirth,

is that scooter drivers do not stop at stop signs. The council was told that the state is supposed to be coming out with new rules for scooters and bicycles.

Wirth said he talked to Larry Morse, who is on the Galva Planning Commision board, about building on a vacant lot. Wirth advised Morse to consult with neighbors to see if there were any objections and then to apply to the planning commision. Wirth said that he is available to anyone, regardless of ward, to discuss small-building construction.

In other news, clean up at the Galva Cemetery will be Oct. 20-24. Flowers must be removed by Oct. 19 and can be placed again after Oct. 24.

Superintendent of Operations Greg Thompson said the water department will flush hydrants Oct. 7-17. He also reported the water department is still replacing residential lead service lines, and that two fire hydrants still need to be replaced.

# TOULON: MFT plan out to contractors for bid

*Continued from Page 1*

residents when there are water-main breaks. He said the city will have to secure grants to pay for the repairs, which would be an extensive project.

New City Employee Brock Ouart’s 90-day review was discussed and the council followed Hollis’ suggestion to raise his pay from \$30 to \$35 per

hour. Hollis said Ouart has been invaluable since his hiring with his knowledge he brings in repairing various problems that occur in Toulon.

Hollis who read a report from City Engineer Justin Reeise, who wrote that the 2024 Motor Fuel Tax plan has closed out and the 2025 plan should be bid out to contractors. Reeise

also wrote that recent rule changes impact the elevated water tank project, causing the project to be rebid once more. The rule changes also effect the city’s OSLAD grant project.

The council approved an expenditure not to exceed \$3,500 to purchase a jack-hammer for the skid steer that will be used to tear up

concrete.

City Attorney Kathleen Carter will provide steps necessary to demolish decrepit houses around Toulon and to present evidence to the circuit court judge that have been taken toward these demolitions. A house at 506 N. Culbertson St. will be the first one targeted.

He was a member of 4-H as a child and showed cattle. As an adult he raised pigs for his children and grandchildren to show in 4H and to take to the state fair.

Don was an avid Chicago Bears, Cubs and Stark County Rebels fan. He loved spending time with his family and friends. He attended all of his grandkid’s sports activities but watching football was his favorite. Don was very handy and could fix just about anything that needed to be done. He always said, “I probably have one, let me look to make sure”. He could rig up anything to fix a problem. He also loved going to auctions.

His visitation was Sept. 11, 2025, from 5-7 p.m. at Haskell Funeral & Cremation Services in Wyoming. Funeral service will be Friday, Sept. 12, 2025, at 11 a.m. Pastor David Pyell will officiate. Burial will be in Wyoming Cemetery. Memorial contribu-

tions can be made to the Stark County Junior Fair.

Online condolences may be left for Don’s family on his tribute wall at [www.haskellfuneral.com](http://www.haskellfuneral.com).

# FOOTBALL: Rebels defense opportunistic in victory

*Continued from Page 8*  
tonight (Sept. 12) at Havana.  
Connor Daum caught two touch-down passes from Ben Browning, in-cluding one three seconds before halftime. The Stark County defense stopped two Abingdon-Avon extra-point attempts, intercepted a fourth-quarter pass at the Rebels’ 4-yard line and forced a midfield fumble that all but sealed the game.  
“They had the ball a few times where they could have taken the lead and won the game, and we held them off,” Stark County Coach Jade Noard said. “We did just enough. ... Our de-fense was very opportunistic.”  
Defense also helped set up what turned out to be the winning touch-down. With a little over a minute to play in the second quarter, Browning intercepted a pass from A-Town (0-2, 0-2) at about midfield. Then he passed 19 yards to Daum to give Stark County a 13-6 lead.  
“We talk about that – teams that can score in the last two minutes of the half,” Noard said. “In college and in

the pros, they do studies on that. It in-creases their win possibility. You go in with a ton of momentum.  
“It’s a huge boost. Them having the ball with under two minutes to go, to get a turnover and a score there, it really turned the game, I thought.”  
Even after the Tornadoes regained momentum by scoring midway through the third quarter, the Rebels did not allow any more points.  
“It was a time where, with a younger team, it could have gone sideways on us pretty fast,” Noard said. “We had the ball a lot in the fourth quarter. If you can do that with the lead, it’s a big deal.”  
Chase Holmstrom helped spearhead the Stark County defense. Despite not playing much of the fourth quarter with cramps, he had 15 tackles.  
**Princeville 44, South Fulton 12**  
ASTORIA – The Princes had four touchdowns and 352 yards rushing and 110 passing yards. Oliver Melick had 136 rushing yards and one touch-down for Princeville and Noah Geiger ran for 117 yards and a score.

Quarterback Kaiden Sarnes had ran for 71 yards and two TDs and was 6-for-9 passing for 91 yards.  
**Rushville-Industry 40 ROWVA-Williamsfield 8**  
RUSHVILLE – The Wing-T of-fense of Rushville-Industry overran the young visitors in this Lincoln-Land-small game.  
R-I (1-1, 1-0) ran for 411 yards and passed for none. Rylan Reimolds ran for two touchdowns and 229 yards. He averaged almost 10½ yards per carry. Reimolds also had an intercep-tion, one of two for R-I.  
**Annawan-Wethersfield 49 Bureau Valley 10**  
BUDA – Quarterback Maddux Heitzler passed for two scores and ran for two more for the Titans. Heitzler scored on runs of 51 and 38 yards and A-W (2-0) also had scoring runs of 49 yards by Danny Heston and 35 yards by Devon Horrie. Nic Thurston had a 28-yard scoring catch and Hor-rie added a 33 yarder.

## Galva ends streak

Wildcats rout Peoria Heights, 62-12; Stark County nips A-Town to go 2-0

By **NICK VLAHOS and JEFF LAMPE**  
For The Prairie News

**GALVA** – The Galva football team not only ended its painful losing streak last week, it did so in a fashion that few Wildcats teams have ever accomplished.

With its 62-12 win over Peoria Heights last Friday, Galva (1-1) snapped a 25-game losing streak. And while an exhaustive search of the records will have to come later, Coach Zach Anderson said he can't recall the last time a Wildcats team put up that many points on a scoreboard.

"I couldn't tell you the last time a Galva team has scored 40 points in a half or 60 points in a game," Anderson said. "I never did it as a player. I told these guys, 'I'm living vicariously through you.'"

After coming close to a win in its opener, Galva made no mistake this time. Back at quarterback after

recovering from an ankle injury, Tommy Funke connected with MJ Louck for a 37-yard scoring pass in the first quarter.

After Peoria Heights (0-2) answered with a 62-yard scoring run, Galva started an onslaught that would see the Wildcats lead 40-12 by halftime.

"They were very excited to get that monkey off our back," Anderson said. "I told them, 'There's a reason I've been pushing you so hard and it's because I knew what you could do.'"

Also scoring in the first quarter was running back Blake Stahl on a 43-yard scamper and Cyrus Hurd, who collected his second safety in as many weeks.

In the second quarter, Galva got TDs on a 55-yard punt return by Louck, a pass from Funke to JP Sloan and a run by Stahl, who finished with 138 yards on 16 carries.

Galva's second-half scores came on a 44-yard

interception return by Reid Harris, a 25-yard run by Louck and a Harlem Young run.

"I think we kind of showed that we could do this last week and, if there was any question about whether they were buying in, that was gone Friday night," Anderson said.

Galva leads its 8-man West Conference with a 1-0 record and is home Fri-

day at 6 against league foe Flanagan-Cornell-Woodland (1-1), which won its opener by forfeit and lost last week to Polo, 40-20.

**Stark County 13 Abingdon-Avon 12**

**WYOMING** – Sometimes, you get what you need. That's exactly what Stark County received as it ran its LincolnLand small-division record to 2-0 heading into a league game
